

TECH-OPS NEW CLIENT PROMO

Thinking of an UPGRADE on your AV equipment?
Confused whether to buy NEW equipment or have the old one REPAIRED?
Wondering how you can PROLONG the life of your equipment?
Need help PLANNING and STAGING an event?

We're here to help!

As a reward to NEW CLIENTS, Tech-Ops is offering
FREE ENGINEERING ASSESSMENT

Promo Code: ASSESS2010 *(Valid from Nov. 15 – Dec. 31, 2010)*

So you'll be able to:

- Figure out what to do with your old equipment
- Know your options for upgrade or repair
- Learn how to maximize the performance of your equipment/system
- Get help with technical requirements needed in staging an event

How does it work?

Onsite: *(right on your premises)*

We can send an AV engineer/technician to visit your facility, check out and analyze your existing system.

Offsite: *(at our service center)*

You can send your equipment to our shop and let our AV engineer/technician assess its present condition.

Online: *(for your convenience)*

You can email your queries to support@tech-ops.com, and we'll be happy to give you an assessment and recommendations.
